About Me

Now this is a story all about how My life got flipped turned upside down And I'd like to take a minute, just sit right there I'll tell you how I became the prince of a town called Bel-Air In West Philadelphia born and raised On the playground is where I spent most of my days Chillin' out, maxin', relaxin' all cool And all shootin' some b-ball outside of the school When a couple of guys who were up to no good Started makin' trouble in my neighborhood I got in one little fight and my mom got scared And said "You're movin' with your auntie and uncle in Bel-Air"

I begged and pleaded with her day after day But she packed my suitcase and sent me on my way She gave me a kiss and then she gave me my ticket I put my Walkman on and said "I might as well kick it" First class, yo, this is bad Drinking orange juice out of a champagne glass Is this what the people of Bel-Air living like? Hmm, this might be all right But wait, I hear they're prissy, bourgeois, and all that Is this the type of place that they should send this cool cat? I don't think so, I'll see when I get thereI hope they're prepared for the Prince of Bel-Air
